What is PHM 2013: A Decade of Growth and Innovation?
PHM 2013 is the largest meeting of Pediatric Hospitalists of the year. PHM 2013 also marks a significant milestone: the 10th anniversary of the first Pediatric Hospital Medicine conference.

PHM 2013 is sponsored by the American Academy of Pediatrics (AAP), the AAP Section on Hospital Medicine (SOHM), the Academic Pediatric Association (APA), and the Society of Hospital Medicine (SHM).

This year’s theme of growth and innovation speaks to the role that Pediatric Hospitalists play in pediatric care, every day and in the future, changing how care is provided to children through work done in patient rooms, conference rooms, and beyond.

Goal of PHM 2013
Pediatric Hospitalists provide leadership in the care of pediatric patients throughout the hospital. This includes significant roles in clinical medicine and medical education as well as roles in quality, research, hospital leadership, and business practice. The goal of PHM 2013 is to increase and enhance the participants’ knowledge and competence in the areas of clinical medicine, education, health services, practice management, quality improvement, and research. Innovation and growth in practice will be emphasized. The knowledge acquired will help individual hospitalists improve their practice and will also promote the necessary skills required to continue moving the field of hospital medicine forward.

You Should Attend PHM 2013 If You Are A:  
• Pediatric Hospitalist  
• Pediatric Department Chair  
• Pediatric Teaching Program Director  
• Director of a General Pediatric Division  
• General Academic Pediatrician  
• Pediatric Resident  
• Pediatric Nurse Practitioner  
• Pediatric Physician Assistant  
• Physician who participates in the medical care of hospitalized children

Unable to Attend?
While nothing can replace the experience of being at Pediatric Hospital Medicine 2013, not everyone can attend in person. To meet your needs, an electronic compilation of the online course materials for Pediatric Hospital Medicine 2013 will be available for purchase for $250 approximately 2 weeks after the close of the course. Please call 866/THE-AAP1 (866/843-2271) beginning 2 weeks after the close of the course to order your course materials.

Upon Completion of This Educational Activity, You Should Be Able To:  
• Update practice in clinical areas related to infectious disease, sedation, newborn care, EKG interpretation, and other hot topics.  
• Apply knowledge gained to implement advances in practice management and hospital systems to benefit your patients, hospital, and practice group, with specific attention to program leadership, communication, and quality initiatives.  
• Implement new methods for teaching Pediatric Hospital Medicine to physician and non-physician trainees and beyond.  
• Identify opportunities and describe mechanisms to conduct, complete, and present pediatric inpatient research.  
• Connect with colleagues in the field for clinical, career, and research support and mentorship.  
• Advocate for and influence the evolution of Pediatric Hospital Medicine.

Content
PHM 2013 will provide in-depth review and challenge both the junior and senior participant in the areas of clinical practice, medical education, conducting research, and practice management. Structured time for networking and meeting with leaders in the field will be provided. Sessions will be devoted to presenting the latest research in hospital medicine. A significant amount of time will be spent in both small and large groups.

What’s New in 2013?
• In response to participant demand, the Concurrent Workshop Sessions have been expanded to include nine educational tracks including the debut of the Early Career and Community Hospitalist tracks. Many of these sessions are repeated, offering attendees multiple opportunities to attend their sessions of interest.
• Three Conundrums Sessions! Popular with participants in recent years, the PHM 2013 educational program has expanded to include 3 Conundrums Sessions. Four conundrums will be presented in each session for the audience to unravel.
• A Sunday Plenary Session focusing on Overuse in Pediatrics in the hospital setting.

The Pediatric Hospital Medicine Conference is TEN!  
2013 marks the 10th anniversary of the first Pediatric Hospital Medicine conference. To mark the occasion, join your colleagues for:  
• The Pediatric Hospital Medicine: A Ten-Year Retrospective plenary session on Friday afternoon. A panel of experts will discuss the growth of Pediatric Hospital Medicine over the past ten years and perhaps provide a few hints of the future.  
• A 10th Anniversary Reception on Saturday evening. All attendees are invited to mingle with their colleagues as we celebrate this significant milestone in Pediatric Hospital Medicine history!
Keynote Address

Virginia A. Moyer, MD, MPH, FAAP, Vice President for Maintenance of Certification and Quality, American Board of Pediatrics, will discuss the ways hospitalists can impact quality of care and the ways that Maintenance of Certification will interact with quality initiatives, including those of the pediatric hospitalist community.

Continuing Medical Education Credit

The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The AAP designates this live activity for a maximum of 19.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 19.0 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the AAP.

The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for AMA PRA Category 1 Credit™ from organizations accredited by ACCME. Physician assistants may receive a maximum of 19.0 hours of Category 1 credit for completing this program.

Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

This program is accredited for 19.0 NAPNAP CE contact hours; pharmacology (Rx) contact hours to be determined per the National Association of Pediatric Nurse Practitioners (NAPNAP) Continuing Education Guidelines.

Looking for an Additional Learning Opportunity?

In conjunction with PHM 2013, two separate pre-course activities are being offered.

Society of Critical Care Medicine: Pediatric Fundamental Critical Care Support Course

Register for the Pediatric Fundamental Critical Care Support (PFCCS) Course, July 30-31, 2013, immediately preceding PHM 2013 at the New Orleans Marriott Hotel.

Sponsored by the Society of Critical Care Medicine (SCCM), PFCCS is a comprehensive program designed for healthcare providers who do not routinely care for unstable, critically ill or injured pediatric patients. The two-day course utilizes didactic sessions along with skill stations and scenario-driven discussions to prepare practitioners to deal with acute deterioration in the critically ill infant or child. Completion of this course is one step toward becoming a PFCCS instructor.

For more information about PFCCS, or to register, visit www.sccm.org, or contact SCCM Customer Service at 847/827-6888 or email info@sccm.org.

Educational Tracks

The needs of Pediatric Hospitalists are broad in scope, and in response, the content of PHM 2013 is, too! Here you will find sessions divided among nine tracks:

<table>
<thead>
<tr>
<th>Track</th>
<th>Track</th>
<th>Track</th>

<tbody>
<tr>
<td>Clinical</td>
<td>Clinical Hands-on</td>
<td>Community Hospitals</td>
</tr>
<tr>
<td>Early Career</td>

<td>Potpourri</td>
</tr>
<tr>
<td>Practice Management</td>
<td>Quality Improvement</td>
<td>Research</td>
</tr>
</tbody>
</table>

Tracks have been designed to support those new to the field, as well as more advanced learners.

The educational tracks are presented in two different formats:

Concurrent Workshop Sessions – Short Topics: These sessions are 1 hour and 15 minutes in length and are designed to provide you with maximum flexibility when scheduling your time at PHM 2013. In each time block where concurrent workshop sessions are offered, you will be able to select two Short Topic sessions to fit your educational needs and interests.

Concurrent Workshop Sessions – Extended Topics: These sessions are 2 hours 45 minutes in length and are designed to provide you with an immersion experience in the topic area. In each time block where concurrent workshop sessions are offered, you will be able to select one Extended Topic session to fit your educational needs and interests. Please note: the Extended Topic sessions overlap the Short Topic sessions in each concurrent workshop session time block. Should you choose to attend an Extended Topic session, you will not be able to attend Short Topic sessions within the same block.

Society for Pediatric Sedation: SPS Sedation Provider Course®

Register for the SPS Sedation Provider Course®, July 30-31, 2013, immediately preceding PHM 2013 at the New Orleans Marriott Hotel.

Sponsored by the Society for Pediatric Sedation (SPS), the SPS Sedation Provider Course® is a comprehensive program designed for the experienced sedation provider seeking both cognitive (didactic) and psychomotor (simulation) based education and training. The course focuses on patient selection and risk assessment (safety), general approach to procedural sedation, sedation monitoring, sedative drug pharmacology, and the recognition and management of the more common sedation-related adverse events through hands-on simulation.

For more information about the course, or to register, visit www.pedsedation.org, or contact SPS at 804/565-6354 or email sps@societyhq.com.

Disclosure of Financial Relationships and Resolution of Conflicts of Interest

The AAP Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities. All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that they either have no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. All potential conflicts of interest are identified and resolved prior to an individual’s confirmation of service at an AAP CME activity.

Beyond disclosure of financial relationships, AAP CME faculty are required to disclose to the AAP and to learners when they plan to discuss or demonstrate pharmaceuticals and/or medical devices and/or medical or surgical procedures that involve “offlabel” use of a device or pharmaceutical. The AAP is committed to providing learners with commercially unbiased CME activities.

The content of this CME activity does not necessarily reflect the views or policies of the AAP.

Schedule and Faculty

Because we are always striving to improve the quality of your educational experience, schedules are subject to change. The AAP may substitute faculty with comparable expertise on rare occasions necessitated by illness or scheduling conflicts. Please visit www.pedialink.org/cmefinder for schedule, faculty, and session updates.

New Orleans is one of the world’s most fascinating cities. Steeped in a history of influences from Europe, the Caribbean, Africa, and beyond, it’s a brilliant mosaic of culture, food, and music. You’ll find brimming bowls of gumbo, late nights in jazz clubs, strolls through historic neighborhoods, and tantalizing festivals throughout the year. August in New Orleans is beautiful, with an average high of 90° and an average low of 73°. The most popular events in August are the Satchmo Summerfest and COOLinary New Orleans. The Satchmo Summerfest is a free, four-day party in early-August, which coincides with this course. It’s the premier American jazz festival dedicated to the life, music and legacy of New Orleans’ native son, Louis ‘Satchmo’ Armstrong. Visit www.artsneworleans.org for more information. COOLinary New Orleans takes place throughout the month of August and celebrates dining in America’s most delicious city. Experience cuisine that delights your pallet and is an integral part of the history, fabric, and culture of New Orleans. This annual culinary tradition features specially priced pre-fixe lunch and dinner menus. Visit www.coolinaryneworleans.com for more information. In the evening, you’re sure to find the right spot for a memorable night on the town. There are casinos, music clubs, dance clubs, cabarets, and much more. For more information about activities in New Orleans, please visit www.neworleansonline.com.

Special group rates beginning at $127 per night, plus tax, for single or double occupancy, have been negotiated at the New Orleans Marriott Hotel. These rates represent substantial savings from published rates. The cutoff date for reservations at the group rate is Thursday, July 4, 2013.

A limited number of guest rooms have been reserved, and they are assigned based on availability (first-come, first-served). Please be aware that the room block may be filled prior to July 4, 2013. In such a case, neither the group rate nor guest room availability can be guaranteed. The AAP, therefore, recommends that you make your reservations as early as possible.

Ground Transportation

For information on shuttle service from the Louis Armstrong International Airport, contact Airport Shuttle, Inc., at 866/596-2699 or, www.airportshuttleneworleans.com. Taxi service is also available.

Parking

On-site valet parking is available for a fee. Numerous self-park options are available nearby for a fee.

Child Care

Please contact the hotel concierge for recommendations regarding babysitting services.

Air Transportation

The AAP Travel Office is pleased to offer negotiated airline discounts to our CME courses. For complete details call the AAP Travel Office at 888/227-1772, Monday-Friday, 8:00am-4:30pm CST, to make your travel arrangements. AAP members only may also take advantage of making their travel arrangements online through Concur at https://app2.outtask.com/default.asp.

If you were a nuTravel user:

• Current members that are nuTravel users will automatically have a Concur login.
• The login is your AAP ID number @aap.org.
• Your initial password is changeme. You will change your password once you enter the site.

If you are a new user or if you find that your login is invalid contact the AAP Travel Office for help at 888/227-1772. All applicable airline discounts will be taken at the time of ticketing by the AAP travel agency.

Car Rental Discounts

The AAP Travel Office is offering CME course attendees a reduced car rental rate through Hertz and Avis. Please ask your AAP Travel Agent for details. Hertz can be reached directly at 800/654-2240 or www.hertz.com. The AAP discount code is CV01570017. Avis can be reached at 800/331-1600 or www.avis.com. The AAP discount code is AWD A628999.

Registration

Using your Visa, MasterCard, American Express, or Discover, fax your registration to 847/228-5059 or 847/228-0604 or, call toll-free, 800/433-9016, option 3. Outside the United States and Canada, call 847/434-4000, option 3.

Please have your credit card and concurrent session selections ready prior to calling. If your membership status has changed or lapsed, the registration staff will charge the appropriate fees accordingly. Lodging and meals, other than specified, are not included in the registration fee. Educational sessions, food, and beverages provided during the course are intended for registered attendees only.

Cancellations

Cancellations must be received by July 4, 2013 to receive a refund. An administrative charge of $50 will be deducted.

Online Course Materials

PHM 2013 is environmentally friendly! Course materials for the PHM 2013 will be made available online for registered course attendees. About 3-4 weeks prior to the course, you can expect to receive an email with instructions for accessing the online course materials. Only registered participants will have access to view all of the PowerPoint presentations, abstracts and other useful information. If you are interested in viewing the contents of the online course materials while in New Orleans, we encourage you to bring a laptop computer or tablet device. If you prefer to have printed handouts in front of you while at PHM 2013, we encourage you to print those from the online syllabus ahead of time and bring them with you. There will not be any printer stations at the course.

Note: Please include your email address on your registration form to ensure that you receive instructions for accessing the online course materials.

Your registration will be confirmed. Please contact the AAP Registration Area if you do not receive a confirmation within 7 days. The AAP recommends that you do not make travel or hotel reservations that cannot be changed or cancelled without penalty until you receive your confirmation, as the AAP cannot be responsible for expenses incurred by an individual who is not confirmed and for whom space is not available at this course. Costs incurred, such as airline or hotel penalties, are the responsibility of the individual. The AAP reserves the right to cancel a course due to unforeseen circumstances or to limit enrollments, should attendance exceed capacity.
