William A. Anderson, Ph.D.
Professor and Fellowship Program Director
Office of Medical Education Research and Development
(517) 353-9656, Ext. 230
pcfellowship@hc.msu.edu

Fellowship Info:

The Primary Care Faculty Development Fellowship Program at Michigan State University is recruiting qualified pediatrics, family medicine, and internal medicine applicants for the 2011-2012 academic year. The goal of this fellowship program is to prepare junior faculty to be successful in their academic roles. The program uses an on-campus/at-home model where fellows travel to MSU for four weeks of training during an academic year:

• September 25-September 30, 2011
• December 4-December 9, 2011
• March 11-March 16, 2012
• May 13-May 18, 2012

The curriculum topics include:

• Teaching & Evaluation
• Research and EBM
• Leadership & Management
• Instructional Technology
• Social Context of Medical Education
• Scholarly Communications, and Career Planning
Fellows will also complete a research, curriculum development or leadership Major Project under the guidance of a qualified mentor.

Our user-friendly format, validated curriculum, and experienced faculty provide fellows with a quality fellowship experience.

The complete application form can be found on our website: http://www.omerad.msu.edu/fellowship.
