Presenters must bring their own laptop if needed for a Powerpoint presentation.  
**Table 1 High Risk Youth and School Health**  
- Hilary Stempel Youth with Adverse Childhood Experiences: Examining Protective Factors Associated with School Attendance  
- Joseph Rojas Undiagnosed ADHD and Risk of Youth Delinquency  
- Rammy Assaf Caregiving Youth in a Children's Hospital and Los Angeles County Schools: An unmet need and model for intervention |

### Break

Oral presentations: self-evaluation and feedback session (some senior faculty will be identified to give individual feedback to presenters during this time)
• Heyman Oo  School-based Family Reunification and Emotional Resiliency Training for Immigrant Teens
• Hylke Snieder  Stakeholder perspectives on optimizing communication in a school based asthma care program

Table 2  Hospital-Based Medicine
• Brittany Boswell  Total Parenteral Nutrition or Total Provider Nightmare? A Needs Assessment Targeting Gaps in Resident Education
• Namrata Ahuja  Differences in care of technology dependent children in specialty children’s hospitals versus non-children’s hospitals
• Vijay Prasad  Improving Resident ED to Inpatient Ward Handoffs through an EMR Based Visual Tool: A Quality Improvement Project
• Adam Ford  Socially assistive robotics to reduce distress in children receiving intravenous lines: A Pilot Study

Table 3  Infectious Disease and Global Health
• Morgan Greene  Characterization of Coronavirus in Children with the Implementation of Expanded Respiratory Viral Polymerase Chain Reaction
• Lauren Rissman  Hand Sanitation at an Orphanage in Rural Malawi
• Andrew Grim  The Relationship Between Maternal Hepatitis B Antibody and Infant Seroconversion Following Vaccination
• Barbara Lam  Understanding Access to Mobile Technology Among Patients and Providers in Haiti

Table 4  Medical Student/Resident Education
• Kevin Chi  De-Escalating High Intensity Patient Encounters (DeHIPE): An Interactive Online Curriculum for Medical Students
• Megan Gilbert  The pediatrics clerkship: Can - or should - students be better prepared?
• Brandi Kaye Freeman  Diversity in Academic Pediatrics: Priming the Pipeline to Pediatric Residency
• Christina Jung  Attending and Housestaff Attitudes Regarding Effectiveness of Current Outpatient General Pediatrics Teaching Modalities

Table 5  Obesity and Poverty
• Mayuri Ganupuru  Development of a Child Poverty Curriculum for Pediatric Residents
• Caroline Okorie  Teaching Pediatric Residents about Health Literacy and Communication
• Ruth Stefanos  Response to an Epidemic: Teaching Pediatric Residents to Recognize and Manage Obesity
• Juan Espinoza  Children in Poverty, Technology and Obesity: A Fitbit Feasibility Study

Table 6  Prenatal and Newborn Care
• Alicia Sauter  Identification and follow up of women at risk for post partum depression
• Carole Stipelman  Improving Timely Newborn Follow –up
• Travis Waller  Prenatal screening of congenital heart disease at Naval Medical Center San Diego
- Alexandra Ford  Impact of Military Rank on Patient Perceptions and Physician Confidence

**Table 7 Resident/Fellow Education**
- Danielle Shin  Quiet Doctors: Does Introversion Affect the Evaluation of Resident Competence
- Priya Chandra  Training the Bean-Keepers: A Novel Pediatric Nephrology Fellows’ Orientation Curriculum Needs Assessment
- Alison Chiang  Murmurs, Crackles, Masses, Oh My! A Needs Assessment of Pediatric Diagnosis Skills Education During Residency Training
- Scott Grant  ACE Screening Outcomes and Perceptions in Pediatric Resident Continuity Clinics
- Katherine Killmond  Hearing Our Patients’ Voices in Pediatric Education: A Multi-Institution Resident Self-Assessment of Communication Skills With Patients

- **Table 8 Screening and Prevention**
  - Anjali Deshmukh  Improving Identification of Human Trafficking in the Medical Setting Through Creation of a Better Screening Tool
  - Askon Shaahinfar  Save Life Youth Summit: a Collaboration for Gun Violence Prevention in Oakland, CA
  - Ekta Bajaj  Drowning Prevention through parent education
  - Mona Patel Gera  Standardization and Efficient Operationalization of Primary Care Based Developmental Screening for Latino Children in Community Federally Qualified Health Centers (FQHC)

12:30- 1:45 Networking Lunch
1:45 – 2:45 **Key Note Speech**
  - Fernando Mendoza  Diversity: Why is it important to Pediatrics
2:45- 3:45 **RESILIENCE FOR HEALTH CARE PROVIDERS**
  - Jennifer Reese
3:45- 4:15 Awards, Wrap Up, Group Photo
5:30 - 7:00 Light snacks and no-host happy hour/Networking at Hilton Garden Inn

---

**Sunday, January 31, 2016**
**BREAKFAST IN PEBBLE**
**MEETING IN PACIFIC-GROVE**
**Lobby Level**

8:00 - 8:30 Breakfast
8:30 - 10:00 **Themed Roundtable Abstract Presentations**

*In these sessions, 4 presenters will be grouped at 7 tables based on themes. Non-presenting attendees will choose a theme of interest to attend. Each presenter will have 10 minutes for presentation and 10 minutes for questions and feedback. Presenters have flexibility regarding presentation format using a one or two page hand out, an 11 x 17 ‘mini poster’, or a Powerpoint presentation. Presenters must bring their own laptop if needed for a Powerpoint presentation.*

**Table 1 Potpourri**
• Grace Kim  Urban Student Perspectives on School-Based Social Networks, Identity, and Substance Use
• Brandi Kaye Freeman  Perspectives On Technology Enhancement In A Pediatric Call Center: A Pilot Survey Of Pediatric Phone Triage Nurses
• Vivien Sun  Capturing Resilience: a pilot program to promote resilience in adolescents with depression through photovoice
• Scott Grant Adverse Childhood Experiences Screening in Outpatient Pediatrics Clinic

**Table 2  Hospital medicine**
• Margaret J. Trost  Risk Factors for Overnight Desaturation Following Sedation for Non-invasive Radiology Studies in Children with Sleep Apnea
• Christopher J. Russell  Risk Factors for Hospitalization Due to Bacterial Respiratory Tract Infections in Children After Tracheotomy
• Amy Tyler Variation In Inpatient Management Of Croup
• Blair Limm Determinants of Length of Hospitalization in Acute Post Streptococcal Glomerulonephritis (APSGN) Patients

**Table 3  Obesity**
• Shanlee Davis  Low Inhibin B Correlates With Features Of Metabolic Syndrome In Prepubertal Boys With Klinefelter Syndrome
• Amelie Hecht  An Observational Study of the Characteristics of Free Drinking Water Sources and Students’ Water Consumption in Low-Income Public Elementary Schools in California
• Lindsay Thimmig Is TV during children’s meals associated with poor health outcomes? A Systematic Review
• Bryn Meredith Normal Distribution of Hemoglobin A1c in 12 Month Old Children

**Table 4  Teaching Pediatrics**
• Karim Mansour  Integration of a Novel Surviving Sepsis Educational Module into PALS Certification Program
• Clarissa Fernandez-Pol  Medical Student Learning in a Juvenile Hall Rotation: A Pilot Cluster Randomized Controlled Trial
• Nichole Wang Assessment of E-learning Readiness among Medical Students at the University of Zimbabwe, College of Health Sciences

**Table 5  Epidemiology**
• Aric Matthew Ponce  Exploring the Relationship between Childhood Fitness, Wealth, and School Outdoor Space Using a Polygon Mapping Technique
• Alicia Swartz  Early Child Care Exposure and Childhood Asthma: A Meta-Analysis
• Jennifer Goldman-Luthy ADHD School Resources and Needs Assessment
• Peter Knickerbocker  Food Security in US Military Families

**Table 6  Impacting Behavior**
• Brittany Chan Got Donor Milk? Barriers to Physician Referral of Mothers to Donate to Human Milk Banks
• Katelyn Saarela Changing Trends of Influenza Vaccine Recipients: Are We Reaching Parents?
• Leah Kern Increase in universal lipid screening among 9-11 year olds
• Maya Ragavan  Health Education Initiative for Intimate Partner Violence Survivors and Their Children: A Community-Campus Partnership

Table 7  Improving Care
• Julia Lee  Improving asthma care in a pediatric teaching clinic through the use of electronic health records interventions and American Academy of Pediatrics practice improvement module
• Aaron Kornblith  Emergent or Not: Characterizing adults transferred away from a free-standing pediatric emergency department
• Morgan Greene  Engaging Residents in Quality Improvement Education through Improving a Value Metric at a Military Treatment Facility
• Sunitha Kaiser  Preventing Severe Exacerbations in Preschool Children with Recurrent Wheeze: A Systematic Review and Meta-Analysis
