

We are **seeking medical educators with experience in faculty development** to help teach in the nationally recognized **APEX Teaching Program**. We seek instructors to teach with either of our APEX cohorts: one at the Pediatric Academic Societies (PAS) annual meeting and one at the Pediatric Hospital Medicine (PHM) annual meeting.

Advancing Pediatric Educator eXcellence (APEX) Teaching Program is an award-winning national faculty development program in clinical teaching co-sponsored by the American Academy of Pediatrics (AAP) Section on Hospital Medicine and the Academic Pediatric Association (APA). Designed for those who are interested in expanding their clinical teaching skillset, the program includes:

- 13-month blended learning experience providing evidence-based teaching strategies, exemplar faculty mentorship, and a forum to collaborate with peers around clinical teaching topics
- Half-day session of workshops at the “anchor” meeting (PAS or PHM) in two consecutive years
- Longitudinal online learning program between anchor meetings
